CUSTOMS EQUIPMENT LIST

Below, please clearly list and detail ALL equipment you would be bringing with you (include all guitars, cases, cables, connectors, tuners, picks, strings, stands, pickups, pedals, amps, monitors, mics, bags, covers, etc). This is very important as we will have to secure you permission from customs and immigration to allow you to enter the country with your musical equipment.

Equipment that exceeds customs and immigration allowances without proper permission may be subject to confiscation or tariffs. You may list more than you will actually bring, but not less.
